

# DRIVEWAY PARKING SCHEME CAN YOU HELP?

## COULD YOUR DRIVEWAY OR PARKING SPACE BE THE SOLUTION?

Parking for local businesses and staff is urgently needed until more permanent long stay car parking is available.

There are now a number of websites for facilitating renting your space or driveway to someone who requires parking.

Do you have a private parking space or driveway sat empty 9am – 5pm week days or weekends? If so, you could rent your driveway, tax free and help a local business.

Are you a member of staff struggling to park for your shift, stressed by the uncertainty of never knowing if you'll even find a parking space when you arrive? Would you be happy to "rent a space" to secure your parking?

## FAQ

### How much should I charge to rent my drive or space?

That's up to you, but it needs to be an amount that a business or member of staff can realistically afford on a daily basis. It's currently £1.50 to park all day in the Long Stay, but spaces are limited.

### Will I be taxed on my earnings?

Earnings from renting out your driveway are included in the property trading income allowance introduced by the government in April 2017.

**THIS MEANS YOU CAN MAKE UP TO  
£1,000 PER YEAR, COMPLETELY TAX-FREE.**
